

CRC CDC

CONSTITUTIONALRIGHTSCENTRE.CA

A group of concerned Canadians have asked the Constitutional Rights Centre to conduct a Citizens' Public Inquiry into the Covid-measures. They are Fund-raising for this purpose and have requested donations, for that purpose, be made on this website.

If you have come to this website to donate for a Citizens' Public Inquiry, please indicate that on the comment (memo) portion of the donation page when making the donation.

Thank you very much.
